Intergraph® CADWorx® & Analysis Solutions

Intergraph® Discovery Tours on October 23 -25 in Dubai, Abu Dhabi, and Doha UAE to feature CADWorx® Plant integration with CAESAR II® and PV Elite®

HOUSTON, Texas, October 12, 2011 – Intergraph will host Discovery Tour events on October 23 in Dubai, October 24 in Abu Dhabi, and October 25 in Doha, United Arab Emirates that will feature Intergraph CADWorx Plant Professional and CADWorx P&ID Professional, including demonstrations of how they integrate with Intergraph CAESAR II for pipe stress analysis and PV Elite for vessel and exchanger analysis. The presentations will show how this integration breaks down barriers between engineering and design so that both groups can share information seamlessly in a collaborative work environment, enhancing productivity for all stakeholders. Hosting the events locally will be ImageGrafix, Global Network Partner for Intergraph CADWorx & Analysis Solutions.

To register for these events, visit <http://icas.intergraph.com/forms/IDT-ImageGrafix-2011>. For more information about ImageGrafix, visit <http://www.image-grafix.com/software-packages/index.htm>.

###

About Intergraph CADWorx & Analysis Solutions

The Intergraph CADWorx & Analysis Solutions (CAS) products allow design and engineering to share relevant information seamlessly, thereby maintaining accuracy and improving efficiency. They include CADWorx Plant Design Suite for AutoCAD®-based intelligent plant design modeling, process schematics and automatic production of plant design deliverables; CAESAR II, the world's most widely used pipe stress analysis software; PV Elite for vessel and exchanger design and analysis; and TANK for the design and analysis of oil storage tanks. For information on Intergraph CAS, visit www.coade.com.

Intergraph, the Intergraph logo, CADWorx, CAESAR II and PV Elite are registered trademarks, and TANK is a trademark of Intergraph Corporation. Other brands and product names are trademarks of their respective owners. © 2011 Intergraph Corp. All rights reserved.
